### 💡 Quick Tips

#### ⚡ Model Selection

**Tiny:** Perfect for quick previews

**Base:** Best balance for most videos

**Small/Medium:** Use for important content

#### 🎧 Best Results

- Clear audio works best
- Shorter videos process faster
- Any language converts to English
- SRT files work with all players

#### 🕒 Processing Time

Processing is asynchronous - you can close this page and come back later. We'll keep your jobs safe and ready for download!
